

How To Make A Little Box Out Of A Square Of Paper.

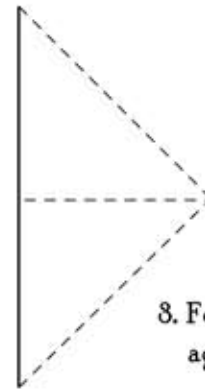

Construction paper works well for this box.

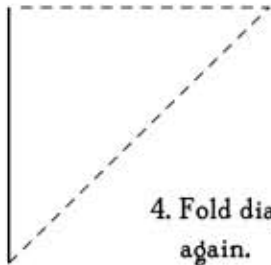

1. Fold a piece of paper diagonally
from corner to corner

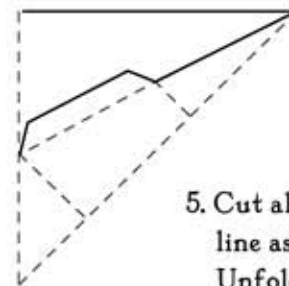

2. Fold diagonally
again.

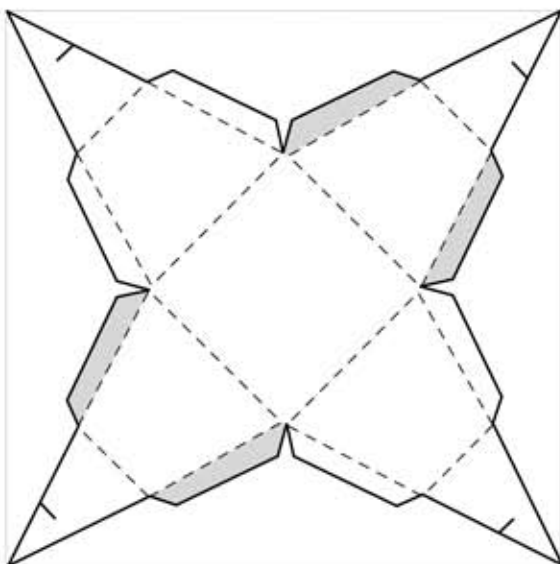

3. Fold diagonally
again.

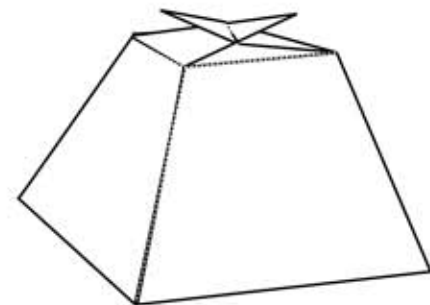

4. Fold diagonally
again.

5. Cut along black
line as shown.
Unfold square. Color
the design if you like.

5. Glue the grey flaps down and let dry.
Then glue white flaps on top of the grey flaps
to finish the box.

6. Fill your box with a small trinket
or a sweet treat!
Close by sliding the triangle flaps together.
