

I AM THANKFUL FOR...

SOME COOL PLACES TO GO...

I WANT TO GET BETTER AT...

WOULDN'T IT
BE LOVELY IF...

It is difficult not to believe
that next year will be
better than the old one!...

And this illusion
is not wrong.

Future is always good,
no matter what happens.

It will always give us what
we need and what we
want in secret. It will

always bless us
with right gifts.

Thus in a deeper sense
our belief in the new year
cannot deceive us.

-Kersti Bergroth, Finnish writer

Every day you may make progress.

Every step may be fruitful.

Yet there will stretch out before you
an ever-lengthening, ever ascending,
ever-improving path.

You know you will never get to the
end of the journey.

But this, so far from discouraging,
only adds to the joy and glory
of the climb.

Sir Winston Churchill
