

# A Magical Mermaid

Cut out mermaid pieces, with a needle and thread run a thread through the holes in the elbow and tie a knot in the back. Connect the waist the same way. Trim the pointed ends off of eight skewers. Tape the end of one skewer to the back of the mermaid's right hand, tape the end of a second skewer to the back of her hips. Make your puppet come to life by gently moving the skewers up and down.

Tape one skewer here.

Tape one skewer here.

To Amuse and Delight  
"Abriteri Et Oblectare"

Tape skewers to the back of these undersea friends.
